IMMANUVEL STANLEY A

Chennai | immanuvelstanley@gmail.com | 9791359491 | LinkedIn | GitHub

SUMMARY

Computer Science undergraduate skilled in full stack development, machine learning, and scalable web architectures, with additional expertise in automotive service — covering vehicle diagnostics, circuit analysis, and electrical fault-finding — bringing a versatile, problem-solving profile across both software and service domains.

SKILLS

Automotive & Service Skills

Circuit Diagram Analysis, Scanning & Diagnostics, Troubleshooting & Fault Finding, Electrical & Electronic System Repair, wiring, Customer Service.

Programming & Frameworks

Java, Python, JavaScript, TypeScript, React, Next.js, FastAPI, REST APIs

Cloud & Databases

AWS, Vector DB, PostgreSQL, CI/CD Pipelines, Event-Driven Architectures

Tools & Concepts

Git, GitHub, Docker, Supabase, pgvector, Copilot, Claude, Technical Documentation, Report Preparation

EDUCATION

Saveetha Engineering College | 2022 – 2026

BE in Computer Science | CGPA:7.8

Sowdambikaa Matriculation Higher Secondary School | May 2022

84.4% in HSLC

Vairams Matriculation Higher Secondary School | Mar 2020

86.2% in SSLC

EXPERIENCE

UI/UX Designer Intern – Retech Solutions, Chennai | Jun 2024 – Jul 2024

- Assisted in developing and testing software modules to improve application performance.
- Worked on debugging and resolving issues under the guidance of senior developers.
- Collaborated with the team to understand software development life cycle (SDLC) and project workflows.

PROJECTS

EcogenAI – Python, Pandas, Machine Learning

- Developed an AI-powered route optimization model achieving a 15% reduction in delivery times and a 20% decrease in fuel consumption using predictive analytics and real-time traffic data.

Elementro – Realtime UI Component Editor | elementro.dev

- Built a browser-based, interactive React UI component editor designed for beginner web developers and students.

Medical Image Analysis Using CNN

- MedVision integrates advanced image classification, segmentation, and feature extraction for precise and automated medical image analysis.

CERTIFICATIONS

- Cars Only – Automotive Service & Diagnostics
- Cloud Computing – NPTEL (IIT Kharagpur)
- Introduction to Internet of Things – NPTEL (IIT Kharagpur)
- Machine Learning Foundations Program – AWS
- Applied AI Learning Challenge – Microsoft
- Dynamic Public Speaking – Coursera
